

## Directions From Dalaman Airport to Villa Barinak . Kalkan

Transfer Time approx 90 minutes

- If applicable, a representative from ENES Transport will be waiting for you outside the departure doors holding a sign with your name on it
- The Representative will take you to your car and fill in the paperwork- you will need your paper driving licence.
- Be prepared to pay the Representative preferably in Sterling but they will take Turkish Lire.

If you want to pay by card, then in the case of ENES, you will need to pay at the office in Kalkan.

- Exit Dalaman Airport car park through the barrier where you pay the car park fee
- Go through the security checkpoint (no one we know has ever been stopped.)
- Carry on down road for about one and a half miles. It is a dual carriageway with petrol stations, should you need to fill up.
- Take a right at the Suzuki Garage onto the uneven road and then another right onto the main road at the junction. This is the main road to Antalya and Kas. If you miss the turning at the Suzuki Garage, don.t worry, as you can take a right a bit further on which gets you straight onto the main road.
- You will come to the Goçek tunnel after about 10 minutes. Go through this toll . costs presently 2.5 lire. Try to have the right change.
- Keep going on this main road and you will hit the outskirts of Fethiye. About 35 minutes out of Dalaman.
- WATCH OUT FOR POLICE RADAR TRAPS
- DO NOT GO INTO FETHIYE
- Keep on the main road bearing left when you are unsure. Always keep Fethiye on your right.
- You will have passed the Fethiye Gold Centre by now on your right.
- When you have passed Fethiye and the many petrol stations, you will come to a road junction with traffic lights. You need to take a right here. It is marked Kas.
- Keep on this road all the way to Kalkan . about 40 mins from this point.
- You will eventually pass the turning for Patara . you are nearly there!!!

- The Patara turning is on a new piece of dual carriageway. Keep going straight ahead .

(worth a visit to Patara beach - 15 kilometres long and it is where the sea turtles lay their eggs).

- After a short distance, you will see a large petrol station on your left, opposite of which is where the new road begins. Carry straight on here, going onto the new road – *do not bear left, as this will take you through the village of Yesilköy*. Stay on the new road all the way to Kalkan (approx 10 min).
- You will come to a junction, where you will see Kalkan's only petrol station. Turn right here.
- Go down the hill into Kalkan, passing the Yali supermarket on the right and the Nür Patisserie on the left.
- Turn right at the first roundabout on to the Kalamar Road (there is a restaurant on the right-hand corner).
- You will pass a pharmacy, the Oasis & Asfiya Hotels & the Gule Gule shop on your right along this road.
- Go up the hill and start to slow down. You will see Paper Moon Hotel on your left and just a bit further along, you will see the Elixir Hotel on your left.
- Turn right onto the road opposite the hotel and go up a steep hill.
- Turn left at the top and our villa is the second on the right.
